Description: Experience Austria's highest waterfalls on a guided ranger tour! Our tour begins at the Krimml Tourism Association, where you will be welcomed by an experienced ranger. The hike follows the historic ascent on the left side of the waterfalls. As you climb, you will enjoy breathtaking views and learn fascinating facts about the historic trade route, as well as the region's flora and fauna. After conquering all waterfall tiers and a total drop of 385 meters, you will reach the entrance to the Krimml Achenal. Here, the guided tour ends, and you can choose to either continue your hike further into the Krimml Achenal or return to the starting point via the other side of the waterfalls. This route offers additional spectacular views and great photo opportunities.
