**Description:** The tour starts at the tourist office in Krimml, where participants will also receive their snowshoes from the national park ranger. After a few hundred metres, you'll strap your snowshoes on and leave the normal hiking trail – we are now on fields and meadows adorned with their winter coat. A gentle ascent will take you to places with views of Krimml and the Kitzbühel Alps. Soon you will reach the winter waterfalls. After a short rest, the tour continues along snow-covered paths and winter roads back to the starting point of the snowshoe hike.
