Description: Starting from the Dietsteinhof youth hostel, the snowshoe hike will follow a winter hiking trail and cross-country ski trail before branching off to a slightly higher elevation. From here you will be able to admire the full moon and the mountain panorama of the Hohe Tauern, illuminated by the bright light of the full moon. You will then continue towards Wasenmoos, a nature reserve. On the way back you will pass through a wooded area that is partially illuminated by the full moon. Definitely a highlight of your winter!
