Description: Behind the snow-covered slopes of the Granatspitze lies a small, hidden paradise for ski tourers. The tour takes you off the beaten track to the Granatspitze and Stubacher Sonnblick. After the off-piste descent to Rudolf hut, there is the option of another descent into the valley. An opportunity not to be missed! The specific route will be determined by snow, avalanche and weather conditions. The execution of the tour is highly dependent on the operation of the Weißsee Glacier World cable cars.
